

## Zebra ZT411 300 x 300 DPI Wired & Wireless Thermal transfer POS printer

**Brand :** Zebra

**Product code:** ZT41143-T0100AGA

**Product name :** ZT411

Thermal Transfer, TAA, 4, 300 dpi, US Cord, Serial, USB, 10/100 Ethernet, Bluetooth 4.1/MFi, USB Host, RFID UHF Encoder: US & Canada, EZPL

### Zebra ZT411 300 x 300 DPI Wired & Wireless Thermal transfer POS printer:

Drive productivity with the ZT400 Series. Constructed with an all-metal frame and bi-fold door, these printer are durable and allow easy access. The 4.3-inch full-color touch display with intuitive interface makes them easy to use, and shows color-coded printer status alerts. Configure your printer your way with advanced technology, along with two open communication slots. These printers keep your critical operations running efficiently today, and give you the flexibility to add features in the future as you need them.

Available in three print resolutions and two print widths, the ZT400 Series addresses a broad array of applications. They are easy to integrate and manage with Zebra's Print DNA suite of applications, utilities and developer tools—all powered by Link-OS®.

| Printing                   |                                    | Design                              |                |
|----------------------------|------------------------------------|-------------------------------------|----------------|
| Maximum resolution         | 300 x 300 DPI                      | Product colour *                    | Black, Grey    |
| Print speed                | 14 ips                             | Built-in display                    | ✓              |
| Print speed                | 356 mm/sec                         | Colour display                      | ✓              |
| Print technology *         | Thermal transfer                   | Display diagonal                    | 10.9 cm (4.3") |
| Type *                     | POS printer                        | Power                               |                |
| Paper handling             |                                    | Power source type *                 | AC             |
| Printing media thickness   | 0.058 - 0.25 µm                    | AC input voltage                    | 100 - 240 V    |
| Maximum printing width     | 10.4 cm                            | AC input frequency                  | 50 - 60 Hz     |
| Maximum media length       | 450 m                              | Operational conditions              |                |
| Ports & interfaces         |                                    | Operating temperature (T-T)         | 0 - 40 °C      |
| USB port *                 | ✓                                  | Storage temperature (T-T)           | -40 - 60 °C    |
| USB 2.0 ports quantity     | 1                                  | Operating relative humidity (H-H)   | 20 - 85%       |
| Serial interface *         | ✓                                  | Storage relative humidity (H-H)     | 5 - 85%        |
