[Zebra QL 320 Plus label printer Direct thermal 203 102 mm/sec Wired:](#)

The QL 320 Plus direct thermal mobile printer delivers print widths up to 2.9" (73.6 mm). In addition to offering the rugged construction, user-friendly options, and flexible QuickLink connectivity that have made Zebra's QL 320 and other QL series printers so popular, the enhanced QL 320 Plus printer is specially designed for complex mobile printing applications. It's built to handle increased levels of wireless security and to process complex labels up to four times faster, making it ideal for the secure transfer of sensitive data such as price lists, customer information, and medical records. The QL 320 Plus is well-suited for numerous applications, including pallet labeling, production identification, work-in-process tickets, price marking, shelf labeling, and inter-store transfers.
